Teacher Note: If you do this activity in class then read each sentence and have the students write each on the student worksheet or a piece of paper.

1. I like going to the library.

6. Isn't it awesome?!

2. It is usually very quiet, and I can sit down and do my homework.

7. Some people use the computers to do research.

3. There are so many books.

8. Of course many people come here to check out books, but you will need a library card.

4. When I get tired, I can go read a magazine or the newspaper.

9. If you don't have one, you'll need to fill out an application.

5. They even have CDs and DVDs I can borrow.

10. And if you need help, you can always ask the librarian.
