

Worksheet: Famous Places in the US

Go online and find out information about each of these famous places in the US. Write down 4-6 sentences about each place. For example where is it located? When was it built? Why is it important? The first one, Gateway Arch, has been done for you. Also, click on each picture or link in the notes box to watch a short video.

	<p>http://www.history.com/topics/us-states/missouri/videos/inside-the-gateway-arch</p> <ul style="list-style-type: none"> • Located in the city of Saint Louis, state of Missouri. • It is the world's tallest arch in the western hemisphere, 192 meters. The arch is as wide as it is tall. • Designed by Finnish American architect Eero Saarinen. • Built as a monument to commemorate the westward expansion of the United States.
